## Founded 28 Years Ago Development of Albany 'Y' Told

Any city large or small, a community center to which residents of all ages may turn for recreational, social and educational needs is a valuable asset. Perhaps such a gathering place is more essential in a small community where leisure-time activities might be overlooked. Although Albany is comparatively small from a population count, its city officials, business and residents are aware of what is going on, and take an

To prevent unnecessary deaths from tuberculosis by detecting the disease in the early stages, free chest X-rays will be available to everyone 15 years and over during the week of August 16 through August 20, G. C. Pettygrove, president of Alameda County Tuberculosis and Health Association, announced today.

The Christmas Seal anti-tuberculosis mobile unit will be stationed in front of the Lucky Market, 2020 San Pablo Ave., Berkeley, next Tuesday through Friday. Hours will be from 12 to 7:30 p. m. and Saturday, 11 a. m. to 3 p. m.

### Soroptimist to Dedicate Redwood Memorial Grove in Eureka Sunday

Five representatives of Albany Soroptimist Club will join members from the 100 clubs in the Southwestern Region of American Federation of Soroptimist Clubs August 14 in Eureka for the dedication of the Soroptimist Redwood Memorial Grove.

The grove was purchased in 1946 as a living memorial to the founding of the first club in Oakland in 1921.

Members attending from Albany include President Nell Moore, Minnie Lou Eakin, Grace Higgins, Bea Williams and Irene Villa.

Honor guest and principal speaker will be Mrs. Emily N. Ziegler of San Diego, director of the Southwestern Region. Dr. Ruth S. Thomas of Sacramento, immediate

past regional director, will be mistress of ceremonies. The Eureka-Humboldt Club will be hostess for the dedication rites.

The grove, a 40 acre tract located in the heart of the Redwood Empire, was purchased on the silver anniversary of the founding of Soroptimists as a regional project. The tract was purchased in conjunction with the preservation of the Redwoods of California, first project of the original charter club.

The Redwood grove will be marked by a plaque set into a giant boulder, the gift of the Watsonville Club.

Preceding the dedication, members and their guests will meet at an informal breakfast in Eureka and go from there to the grove for the rites.

## AREA PTA CALENDAR SET

### City Council Keeps Same Pay Scale

The City Council Monday night granted 10 "longevity" wage increases of \$5 a month, which establishes the same wage scale for the coming year as has been in effect during the past year.

With a five year maximum, the increases are the regular increments granted employees for completion of one year's additional service. They went mainly to personnel in the Fire and Police Departments and administrative workers.

The Council also put the final approval on the municipal tax rate, set at \$1.65 per \$100 of assessed valuation.

In other business, City Attorney George Glavinovich told Councilmen that he would have something more definite soon on the proposed changes of the garbage contract.

The Council two weeks ago approved a request by the Oakland Scavenger Company to reopen the City's garbage collection contract to increase rates from 50 to 75 cents a month. The company asked for the increase because of the higher cost of operation.

### Many Prizes for Eagle Picnickers

Final plans were completed this week for the Albany Eagle's annual picnic, scheduled for Sunday, August 21, in Richmond's Alvarado Park.

Chairman George McConnell said today that Albany merchants have contributed numerous valuable prizes for the various games and contests.

Assisting McConnell on the committee are Co-Chairman Charles Woodstock, Bill Iredale, Jack Finney, Franklyn Bowers, George Porter, Sam Locke, Harold Raymond, Dominic Mooney and Bob Howard.

### Quake Centers Off Albany Shoreline

A moderately sharp earthquake rattled windows and awakened Albany residents early Monday morning but no damage was reported.

A University of California seismologist said the quake lasted for two minutes after it started at 3 a. m. It originated about seven miles off the Albany shoreline.

Albany police received numerous calls from startled persons who wanted to know what had happened. The quake was also felt throughout the Bay Area.

### Berkeley Slates Annual Football Festival Sept. 16

With three successful pre-season football festivals behind them, Berkeley's Junior Chamber of Commerce reports better and bigger parade plans are under way for the 1949 show. This year, as in previous years, the festival will honor the approaching football season.

Friday night, September 16, on the eve of the California-Santa Clara grid opener, over 200,000 spectators are again expected to witness the colorful two-hour procession of bands, floats and marching units.

Last year Admiral Chester W. Nimitz led the parade as honorary marshal. Ten divisions in the parade had entries from all parts of the state. Many famous celebrities, movie stars, officers of the armed forces and government dignitaries were present to lend their support to the festivities.

This year radio and television lookups will bring the fascinating spectacle to even greater numbers. The pre-season football festival is not concerned only with the California and Santa Clara game. Virtually every major school on the Pacific Coast will send an entry or representative, according to a Junior Chamber of Commerce spokesman.

### ROYAL NEIGHBORS SLATE WHIST PARTY AUGUST 16

The Pacific Camp of Royal Neighbors will sponsor a dessert whist party on the evening of Tuesday, August 16, at 800 61st (at Grove St.). The public is invited.

### Building Permits

Permits for the construction of buildings and alterations estimated to cost \$62,151 were issued by the building inspector during the month of July, according to a report from City Engineer E. A. Tarr.

Leading figures in the report were permits for the construction of four single family dwellings estimated to cost \$42,700. Permits for commercial alterations totaled \$9,800.

Fees collected for July totaled \$530.

Value of permits issued in July of last year was \$46,227.

### Huge Crowd Attends Gala Bowl Opening

Amid flashing lights and flying pins, Albany Bowl entered the ranks as the outstanding recreation center of Northern California last Friday evening in special dedication ceremonies.

A flood of color from the vast floral offerings of good will, coming from all over the State and as far away as Honolulu, was particularly impressive to the overflow crowd that came to witness the grand opening.

Many of Northern California's best bowling teams were in Albany for the opening night to display their fancy pin smashing.

Bowling highlight of the evening was a match between the men's East Bay High Five and the San Francisco High Five. In a previous meet, the San Francisco quintet took top honors, but the East Bay men reversed the decision Friday, scoring 2915 over their opponents by 33 pins.

Great interest also centered about lanes 11 and 12 in a re-match between two top women teams of Northern California. Again the previous decision was reversed, with the East Bay scoring a 2605-2483 win. The women showed that the East Bay has caught up with San Francisco's bowling progress.

The San Francisco Mineralites won over an all-star team from Vallejo 2882 to 2769, while the San Carlos Bowl out-played the S. F. Downtown Bowl by five pins, winning 2691 to 2608.

The grudge bout of the evening was between two Sacramento teams. The Capitol Bowl aggregate scored over the Alhambra Bowl 2691 to 2673.

In other scores, Pacific Bowl of East Oakland placed over Uptown Bowl of Richmond 2755 to 2586; Richmond Police over Oakland Police, 2396 to 2673 and Albany Eagles No. 2 team over their No. 1, 2617 to 2396.

Highest score for the lanes to date was made by Joe Whetstone, who left handed his way to the high series of 667. Close behind was C. Kratter from San Francisco with 656 and Bob Robinson of Sacramento with 605.

### St. Alban's Church

"Pleasant Pelagianism" will be the sermon subject of Dr. Randolph Crump Miller, pastor of St. Alban's Church, at the 11 o'clock service Sunday morning.

There will also be a story for children before they are dismissed at 11:40 a. m. Holy Communion will be held at 7:30 a. m.

### School of Information On Sept. 26

Mrs. G. W. Lühr, president of California Congress of Parents and Teachers, will be principal speaker September 26, when the Albany-Berkeley Council of Parents and Teachers hold the annual school of information.

The meeting is open to officers and chairmen of all P.T.A. units, and will be held at the First Presbyterian Church of Berkeley.

Following the general meeting, numerous round table discussion groups will be conducted which will benefit each officer in carrying out the child welfare program.

Complete program of speakers & discussion group leaders is being arranged by Mrs. H. R. Dukatz, president, assisted by Council officers.

Due to the death of Mrs. Floyd O. Dresser, treasurer, an executive committee of the Council was called by the president last month, at which time Mrs. Charles H. Matlin was elected to the vacancy.

Mrs. Harvey E. White, chairman of finance and budget, recently met with her committee to plan the budget for the coming year.

Mrs. J. A. Hillard, corresponding secretary, is assembling the year book for printing, and plans to have it ready for unit president and council members at the school of information meeting.

### Services Held Wed. for Auto Crash Victim

Funeral services were held 2 p. m. Wednesday for Robert Minton Ashworth, 37, who was killed Saturday in a three-car, head-on collision on Hoffman Blvd. near the Golden Gate Field overpass. Services were conducted from the Drawing Room Chapel of Ellis-Olsen Mortuary, with the Rev. Laurence L. Cross officiating.

Ashworth's widow, Annie, was seriously injured in the accident, as was John Ballew of Alameda.

The Ashworths were driving north on Hoffman Blvd. near the overpass when their car was struck by that of Ballew. Observers said the impact threw the vehicles 25 feet into the air, tossing the Ashworth car to the shoulder of the highway.

In addition to his widow, Ashworth is survived by two children, Mary Louise and Joseph, his mother, Mrs. Ruby J. Moore and a sister, Gladys O. Lively. He lived at 1030 at 1030 56th St., Oakland.

Mrs. Ashworth, who is now in Albany Hospital for treatment, is the daughter of Mrs. Frances Volpe, 817 Kains Ave. She also has three sisters residing in Albany. They are Mrs. Gil Ferreira, a city employee; Mrs. Charles Lewis, 742 Talbot Ave. and Mrs. Richard Salisbury, of 422 Evelyn Ave.

### O.E.S. SEWING CIRCLE TO HOLD BOX SUPPER

The Eastern Star Sewing Circle of Albany will sponsor a box supper and whist party 6 p. m. Friday, August 12, at the Macabean Hall. Those attending are requested to bring boxes filled for two. Coffee and tea will be served by the Club.

## Albany Man Is Now Leading Artist

The old but frequently quoted adage "local boy makes good" in short tells the story of Robert J. Lee, former Albany High School track and football star, who now is one of the country's leading commercial artist and designer.

Recently returned from New York, the young artist is currently instructing a six-weeks commercial art class at San Francisco Academy of Advertising Art.

In the past few months Lee has completed six illustrations for Colliers, as well as several gallery paintings. His most recent is a large mural for a Chicago food concern. He is now completing children's illustrations for an Eastern publisher.

"I believe that real art is gradual-

"Nuggets of Shared Responsibility" will be the topic of the November 28 meeting, with Mt. Diablo and Victory Link Councils as co-hostesses. Addresses on school problems as related to the P.T.A. will be given by Vaughn Seidel, superintendent of Alameda County schools, and B. O. Wilson, superintendent of Contra Costa County schools.

## Gagon-White Recite Vows In Candlelight Ceremony

Decorated with white gladioli and lighted by candles was Northbrae Community Church, July 9, when Laverne Gagon and Kenneth C. White were married. Dr. Laurence L. Cross officiated at the ceremony after which the newlyweds received friends and relatives in the church parlors.

A trio of bridesmaids, dressed in varying shades of green taffeta, with hair to match, preceded Laverne down the aisle. All carried pink and lavender sweetpeas. The attendants included Ann Struhm of Albany, as maid of honor; Marian Sellstrom, also of Albany, and Marian Pace of Piedmont. Flowergirl Rosalee Johnson wore a yellow gown and carried a pink and lavender nosegay.

The bride donned a heavy white satin gown, fashioned with a lace bodice and long train. Her fingertip veil, with Juliet cap, was edged in chantilly lace. She carried white

sweet peas and bouvardia with an orchid in the center of the bouquet. Her "something old" was a lace handkerchief first carried over a century ago.

Special music before the wedding included selections by Argene Santucci, accompanied by her sister, Sally Santucci. Best man was Robert Griffin of Richmond. Fred Erwin of Oakland and George Meamber of Albany were ushers.

The bride is the daughter of Mr. and Mrs. Leo H. Gagon, 612 Stanage Ave. She is a graduate of Albany High School.

The bridegroom is the son of Mrs. Marjorie Gerow of Rochester, N. Y. He attended Heald's Business College and is employed as an accountant.

After a honeymoon at Lake Tahoe, the couple returned to make their home in Berkeley at 2410 Dwight Way.

 Albany Y.M.C.A.**

(Continued from Page One)  
 have regular schedules and came out on the winning end of a recent fellowship tournament in Oakland. Friday nights are set aside for veteran students of the University of California, who live in Albany's Gill Tract, for basketball, volleyball, badminton and a variety of social functions.

Several civic organizations use the building as a meeting place in

cluding the Junior Chamber of Commerce, Coffee Club, Mr. and Mrs. Club, Mothers' Club, Air Reserve Corps, Sewing Circle of the Eastern Star, Lutheran Church and two folk dancing clubs. Classes are held in ballroom, tap and aerobatic dancing, although they are not under Y.M.C.A. sponsorship. Community Chest committees meet regularly in the building, and frequently one of the Albany service clubs holds special committee meetings in the clubroom.

"The residents of Albany, both

young people and adults, appreciate the fine facilities made available in our city through the Community Chest," Denham said.

"We would like to thank all those whose contributions to the Chest have made the agency possible, and we will continue to do our best to provide an adequate, worthwhile and attractive program at the Y. M. C. A."

These handsome rugs are restored to their original beautiful condition with our fine, thorough, gentle cleaning process. We use Soft Water.

 There's real head room, hip room and leg room in the new Studebaker truck cab—big vision, too, in all directions—the restful comfort of new Adjustable seat cushions.

**STUDEBAKER  
 TRUCKS**  
 cut costs fast

Streamlined new Studebaker trucks come in a wide range of sizes and wheelbases for hundreds of needs. Half-ton pick-up is illustrated.

- Studebaker truck power is money-saving power—an ample reserve for tough going—consistent gasoline economy!
- Studebaker truck construction is wear-resisting construction—ruggedness for "go-anywhere" hauling—protection against frequent repairs!
- Studebaker trucks are real "driver convenience" trucks—cab floors are low—cab steps are enclosed—wide cab doors have automatic "hold-open" stops—variable-ratio steering builds up plenty of leverage for turn-arounds and parking.

- Stop in and see the new Studebaker trucks. Find out how fast they can cut the cost of your hauling.
